Micro J Systems, Inc. to Give Away Three Thousand Dollars Worth of Software

Win The Power of PcHunter® Contest Kicks Off!

SANTA MONICA, California (January 29, 2002) Micro J Systems, Inc. will give away a copy of its PcHunter RMS software in a random drawing of eligible registrants. The contest is open from now through March 29, 2002 drawing to be held on April 1, 2002. Interested recruiting and staffing professionals are invited to log on to www.microj.com/contest and register for a chance to win the grand prize, a PcHunter software package valued at over \$3,000.00! Prize includes software for PcHunter Version 7, one end user license, available manuals and documentation, and a week of access to the MPPOnline support website and Micro J's highly praised toll-free technical support service. Complete rules and details are available on the www.microj.com website. The grand prize is on display at www.microj.com/v7.

About Micro J Systems Inc.

Micro J was founded in 1983 as an executive search firm. The Information Systems division was created in 1986 to develop and market software specifically designed to automate the practices of staffing (Tempus Fugit) and recruiting (PcHunter) professionals. Micro J is a privately held company.
