

For Immediate Release

Micro J Relocates Headquarters to Pasadena California, Growth and Change Start from Within

Santa Monica, California (May 20, 2005), Micro J Systems, Inc. will relocate all key personnel and development staff to a larger new headquarters office located at 200 East Del Mar Boulevard Suite 216 Pasadena, CA 91105. As of June 1, 2005 Micro J will be operating from the new offices. "This move was carefully thought out to accommodate Micro J's growth. Micro J will soon celebrate the twentieth year anniversary of our very first product roll out. We have the best support and development team we have ever had, and plans to revamp Micro J's brand image and leadership roll as one of the first and foremost firms dedicated to the creation of computer software for the recruitment and staffing industries." Micro J's CEO Mimi Slater affirms.

"After more than 15 years in the Santa Monica location, moving to the technology corridor in Pasadena makes perfect operational sense." Micro J Product Manager Bret Kinkele states, "We will be able to take advantage of a richer local talent pool and get more mileage out of our development resources. Basing operations in Pasadena will ultimately benefit our users in many subtle ways."

The shift to a new location and a fresh work environment will set the stage for a new phase of inspired software solutions and customer service as Micro J Systems Inc. embarks on its third decade in business.

###

About Micro J Systems Inc.

Micro J Systems is the recognized leader in providing application software and information systems to the domestic and international staffing industry. Micro J was founded in 1983 as an executive search firm. The Information Systems division was created in 1986 to develop and market software specifically designed to automate the practices of staffing (Tempus Fugit) and recruiting (PcHunter) professionals. Micro J is a privately held company.
